The screenshot shows the iSAFE website interface. At the top, it says "iSAFE" and "Welcome Lori (School id: 52555)". Below that, there's a section titled "Events" with a form to find a school ID. The form has three dropdown menus: "State" set to "AK", "Select the City the school is in:" set to "SOLDOTNA", and "Select your School:" set to "CONNECTIONS PROGRAM". Below the form, it says "Your school identification number is 52292", with "52292" circled in red. At the bottom of the form are three buttons: "Reset Form", "Go to i-SAFE Homepage", and "Save School ID". A red arrow points to the "Save School ID" button.

- Your School ID# will appear at the top of every i-SAFE Web page whenever you are logged on.

- Provide this School ID# to your students in order to administer the assessment survey.
