

HOW TO: i-Safe Auto Enrollment

Who is this for?

Those individuals identified as a point of contact by the KPBSD that will be responsible for implementing the i-Safe's internet safety education curriculum. This could include:

- KPBSD homeschool Connection parents

Prior to enrolling:

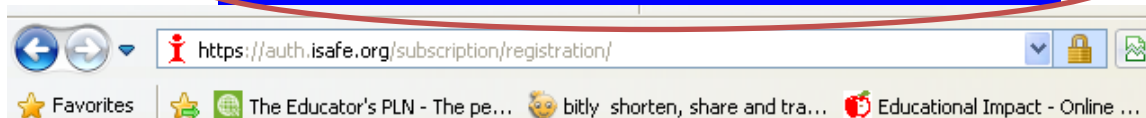

Users should have the following information available:

- KPBSD Auto Enroll Subscription Code – obtain this code prior to enrollment by contacting Lori Manion. REMINDER: please DO NOT distribute this code
- User Name (Joan Smith)
- School Name (Connections Program)
- Email
- Grades (what grades will the user be teaching?)
- Number of students who will receive the lessons

Enrolling:

To get started, simply follow these steps for online registration:

1. Go to: <https://auth.isafe.org/subscription/registration>

2. Enter the Subscription Code and select the state and click on "NEXT"

i-SAFE Online Registration

Let's get started with information about your school/district.

Subscription Code:

Enter the subscription code provided by your school/district administration.

HOW TO: i-Safe Auto Enrollment

i-SAFE Online Registration

Kenai Peninsula Borough School District

Please complete information about your i-SAFE implementation.

First Name:

Last Name:

Organization:

Select from the dropdown menu.

E-mail:

Your e-mail address at school.

Grades:

In order for i-SAFE to provide you with grade-appropriate material, please list the grade level(s) that you will be teaching.

Please select at least one

K 1 2 3 4 5 6 7 8 9 10 11 12

Number of students:

Estimated number of students that you will be teaching i-SAFE curriculum this year.

Submit

- Once the online registration form is completed an i-SAFE account will automatically be created for you. An email will then be sent to you containing username and password. Use that account information (username and password) to access the curriculum through the i-SAFE web site at www.isafe.org.

Thank you for submitting the information. An i-SAFE account has been created for you.

[Click here](#) to receive your i-SAFE username and password that you will need to access the curriculum.

If you need more information about how to use your account, [click here](#) and you will be linked an i-SAFE webpage with more details. Your previous i-SAFE account has also been updated with the new information you've provided (if applicable).
